Meet the Instructors

Roopal Pandya
Content Developer & Trainer | B.A, B.ED, Diploma in Computer Science
With more than 10 years of experience in teaching, curriculum development, counseling and training. Roopal has served as a mentor/teacher in the elementary education sector where she developed a curriculum for pre-schoolers. She has also trained teachers and organized events that help imbibe cultural values & awareness in children.

Shruti Gandhi
M.Sc.- Human Development
Shruti has 12+ years of experience in teacher training, curriculum implementation and school audits. She has worked as an academic manager, curriculum lead at the leading preschool chains in India. Shruti has closely worked with teachers and children to help with curriculum implementation and has been a guide to many parents to help them enjoy the process of parenting their young children.

Aditi Patil
M.Sc, Early Childhood Education
With an experience of over 10 years in the field of Early Childhood Education, Aditi is very passionate about preschool teacher training and curriculum planning for preschools. She has worked with schools to implement the smooth functioning of the pre-primary sections for both teachers as well as children and has also been involved in the designing of modules for teacher training courses

Wondering How To Enrol?
